January 26, 2018

Enclosed are the annual dues and fees form and the volunteer sign-up form for 2018. In order to ensure we have the most current contact information on file, it is critical that everyone fill out and sign the form. Please complete the electronic version of the forms that you receive via MVYCNEWS, or on the link at [www.mvyc.net/committees/membership/](http://www.mvyc.net/committees/membership/), print, sign, and include them with your check. All forms and payments must be received by MVYC no later than February 28, 2018. Payments received after that date, will be subject to a late fee of 5% per month or part thereof. If you choose to pay in two installments, your first payment must be received on time. The second payment will be due no later than April 30, 2018. This year we are accepting payment via PayPal but you must add in 5% to cover PayPal charges.

Dues have increased to \$825 per year. Electrical charges have increased \$10 for each amp level: 15-20 amp = \$120, 00 30 amp = \$170.00 and 2x30 amp or 50 amp = \$320.00. Slip fees remain the same.

If you have not been receiving weekly MVYCNEWS emails, let me know, as this is where most communications and activities are announced.

**Boat Slip Application:** If you were assigned a boat slip for the 2017-2018 year and wish to continue to occupy a slip, your form and payments must be received by the February 28 due date so that your request can be considered by the Marina Chairman for initial 2018-2019 slip assignments. Late payments will cause your slip application to be placed on a waiting list.

- If you are applying for a new boat slip, and a slip is not available, you will be placed on the waiting list which begins with the receipt of the application. Your signed form is your proper slip request. New slip holders will be invoiced separately for the boat slip related fees only after a slip has been assigned.  
*Note: If you are currently on the waiting list you still need to submit a new slip application.*
- If you are requesting a second boat slip, the form is designed to accommodate the request. You will be invoiced separately after a second slip has officially been assigned. Second slip assignments are issued only after all first slip assignments received by February 28, 2018 are satisfied, subject to size availability.
- Finally, all requested information, especially current registration/documentation and insurance policy data, must be completed on the form. Failure to do so may result in delayed slip assignment.
- **Dinghy Rack Request:** If you would like to request dinghy space, please include the requested information and pay appropriate fee along with your dues. The fee is \$80 per dinghy, not per space.

**Volunteerism:** As a volunteer organization, MVYC is run by its members. By doing as much as we can ourselves – from maintenance of the marina, club, and grounds to arranging boating parties, organizing special events, and publishing the newsletter – we eliminate the costly overhead of a professional management staff, but it also means that each of us must step up and do our share. MVYC is dependent upon all of you to help. Please indicate on the enclosed volunteer form the committees on which you would like to contribute your time and talent. Members are expected to participate actively on one or more committees or remit the non-volunteer fee on page 2 of the Membership Form.

If you have any questions or for any reason wish to resign your membership, please contact me.

Best Regards,
