

2018 VOLUNTEER FORM

As a volunteer organization, MVYC is run by its members. By handling everything ourselves – from maintenance of the marina, club, and grounds to arranging boating parties, organizing special events, & publishing the newsletter—we eliminate the costly overhead of a professional management staff, but it also means we are dependent upon ALL OF YOU to help with the many tasks that keep the club running smoothly. Becoming involved with a committee and helping out with events lets us get to know one another better while contributing to keeping dues & fees as low as possible. So...please indicate below the committees with which you would like to be involved in 2018. Not sure what you want to do? Don't hesitate to contact the relevant committee chairman directly to get a better sense of just what activities are being planned.
