

2021 VOLUNTEER FORM

As a volunteer organization, MVYC is run by its members. By handling everything ourselves we eliminate the costly overhead of a professional management staff, but it also means we are dependent upon ALL OF YOU to help with the many tasks that keep the club running smoothly. Becoming involved with a committee and helping out with events lets us get to know one another better while contributing to keeping dues & fees as low as possible. So...**for each member of your household that is volunteering, please initial in the block next to the committees with which you would like to be involved in 2021 and add the name and email information at the bottom of the form.** Not sure what you want to do? Please contact the relevant committee chairman directly to get a better sense of just what activities are being planned.
